WWW.DRTERRYCHASE.COM

Dedicated to Health, Growth & Learning

Terry Chase, ND, MA, RN offers a deep and multi-faceted background of advanced education and hands-on experience in healthcare, education and professional development. A professional speaker offering keynotes, experiential workshops and break-out sessions in effective leadership, communication, team skill and education practices.

Terry's leadership and program development experience at Craig Hospital in Denver CO and Assistant Professor at Colorado Mesa University in Grand Junction CO make her a powerful speaker. Her eclectic experience guides individuals and teams to take effective action in the real world of personal and professional relationship, team effectiveness and growth.

As a professional coach, Dr. Chase offers clients an opportunity for new learning, personal expansion and support for individuals, couples, and families.

Education & Training

Dr. Chase holds three graduate degrees in Nursing (ND), Exercise Science (MA) and Spiritual Psychology (MA) with additional certifications in communication, teaching and equine-assisted learning.

Unique in Her Field

Terry brings valuable life-experience of living with spinal cord injury for over thirty years to motivational keynotes, experiential workshops and individual coaching relationships.

Terry serves as a Board Member of the Rocky Mountain Health Foundation and the Temple Grandin Equine Center.

Dr. Chase is a self-motivated, highly educated individual who has lived fully with spinal cord injury for 30 years active in all things outdoors, including kayaking, cross-country skiing, hand-cycling and whenever possible, riding horses. Terry and her partner, Sharon reside in Western Colorado.

Terry's Topics

- *Challenge/Resilience*
- *Shifting the Power*
- *Compassion Fatigue*
- *Listening Skills*
- *Health & Wellness*
- *Team Transition*
- *...and more.*

"Dr. Chase was intelligent, direct, funny, and has amazing instincts on how to really reach out and touch people. I surely wish there were more people like her on the planet, because the world would be such a better place.... I know she's certainly one of a kind."

-Terry Robinson, Claims Quality Analyst, Delta Dental of Colorado

"Dr. Chase shared an inspiring story based on the importance of holistic and patient-centered care. Healthcare providers will be touched by her strength in healing through caring influences."

-Jill Van Der Like, DNP, MSN RNC. Director, Simulation & Learning Skills Center University West Florida
